

PROTECTIVE BEHAVIOURS Cyber Safety Parent Workshop

“Fantastic! Great presentation. Highly recommend to all parents.”

“WOW - so glad I came. Very informative and useful. Your workshop is a big eye opener. Learned a lot.”

This workshop is a must for all parents and carers to learn about the risks about the online world and strategies for keeping your child safe online.

Areas covered will include:

- An overview of the online world including current Australian statistics and trends, apps commonly used by children and young people and relevant age restrictions.
- Specific information about online gaming, photo and video sharing, sexting/nudes, online grooming, pornography, inappropriate content and cyber bullying.
- Information about protecting personal information online, digital footprint, digital reputation and the laws in Western Australia.
- Information about parental controls and restrictions, balancing online time and establishing boundaries and expectations.
