

ST BRIGID'S COLLEGE AND MAZENOD COLLEGE PRIVATE BUS SERVICE

St Brigid's College and Mazenod College contract with the Australian Transit Group (ATG) more commonly known as Buswest to provide a private transportation service for students who live in the Northern catchment area of the Colleges'. Vehicles supplied by ATG are both air conditioned and seat belted.

This service currently services (in part and beyond) the following localities:

Boya	Hovea	Koongamia	Middle Swan	Sawyers Valley	Stratton
Brigadoon	Jane Brook	Mahogany Creek	Mount Helena	Mundaring	Stoneville
Parkerville	Swan View	Greenmount	Glen Forrest	Darlington	Helena Valley

Currently there are four bus routes to this service:

Mundaring	Parkerville	Glen Forrest	Swan View
-----------	-------------	--------------	-----------

The cost of this service is heavily subsidised by the Colleges', however over time the cost being passed onto families has also risen.

In order to stem some of the costs, for 2016 the Colleges will now be selling tickets for these services directly from their respective accounts departments. This decision has allowed the Colleges' to pass on the cost savings of this change directly back to families.

For 2016, the cost of the services for St Brigid's College and Mazenod College students will be:

Term pass	\$270.00	(2015 \$300.00)
Ten Trip Pass	\$ 42.50	(2015 \$ 47.00)
Single Fare	\$ 5.00	(2015 \$ 5.60)

This means that families will now have to purchase bus tickets **BEFORE** using the service from the respective College account departments.

Tickets will no longer be able to be purchased on the bus.

Fees for this service will not be able to be added to the College account.

Furthermore, the bus company has the right to refuse entry without the presentation of a valid ticket.

Payment in advance can be made via the various payment options available at the respective Colleges:
